

## Chase Collegiate Parents Association Volunteer Form

One of the best ways to foster communication and become a part of the Chase community is to get involved. Through the Parents Association, parents and families are invited to contribute their talents and time to the community in a variety of ways. Your involvement is always welcome. It's a lot of fun, too!

\_\_\_\_\_ **WINE TASTING and AUCTION** – Our biggest event of the year, come share in the excitement of this very successful, biennial, Parents Association fundraiser, scheduled for Spring of 2008. Committee members are needed to solicit sponsors and auction donations, design and process mailings, and transform the Goss Field House into a beautiful setting for the evening.

\_\_\_\_\_ **USED BOOK SALE** – This sale benefits both Chase families and the environment by recycling used textbooks. Volunteers are needed to collect, organize, and sell used textbooks. Organizational skills are a necessity. Fall and springtime commitment.
